# OUR GIN

Kitapo African Gin embodies the enchanting spirit of Kitapo, the revered river goddess of the Kafue River. This gin weaves together the rich heritage and vibrant flavors of Africa, capturing the essence of Kitapo's mystical allure. Distilled in Cape Town with an unwavering commitment to quality, Kitapo African Gin is a celebration of African mythology and the continent's botanical wealth.

Inspired by the story of Kitapo, our gin is meticulously crafted to reflect her remarkable attributes. The distillation process honors her legacy by using ingredients that thrive under the African sun, much like the goddess herself. Each botanical is chosen to evoke the spirit of the Kafue River, infusing the gin with a sense of place and history.

# OUR DISTILLERY

Nestled in Cape Town, our distillery combines tradition with innovation. We craft exceptional spirits with passion, reflecting the essence of the region, offering an unforgettable tasting experience in every bottle.

# OUR BOTTLE

Our bottle and labels pay homage to Kitapo's spirit and African heritage. Traditional motifs and cultural elements adorn the label, creating an artistic and collectible centerpiece for your spirits collection.

# OUR PACKAGING

We package our spirits in distinctive tubes (cannisters). This unique packaging not only protect the bottles but also make for an elegant and memorable presentation.

# WHAT'S IN OUR GIN?

Kitapo African Gin is a masterful fusion of nature and tradition — a true reflection of Africa's soul. Crafted from premium Grade A Grape Spirit, it forms the perfect foundation for a vibrant blend of botanicals.

Juniper berries bring a crisp, piney character with a subtle fruity edge, while coriander seeds add a warm, spicy complexity. Angelica root grounds the blend with earthy, herbal tones, beautifully balanced by the gentle heat of cardamom. Bright citrus peel lifts the profile with a sweet zest, softened by the delicate floral touch of rose water. What truly sets Kitapo apart is the infusion of wild herbs from the Zambezi region — a tribute to the continent's rich biodiversity and untamed beauty.

Every pour of Kitapo African Gin is a journey — bold, elegant, and unmistakably African.
